SUMMARY

I am currently a student pursuing a Bachelor of Science in Information Technology, which I will complete by the end of 2024. I am proficient in many popular programming languages and have experience working in groups to complete large programming-related projects.

EDUCATION

Witteberg High School

- English Home Language: 65%
- Afrikaans FAL: 79%
- Mathematics: 72%
- Life Orientation: 78%
- Engineering Graphics and Design: 65%
- Life Sciences: 65%
- Physical Sciences: 72%

North-West University

- BEng in computer and electronic engineering (2020-2022, not complete)
- BSc in Information Technology (in progress)

WORK EXPERIENCE

Hospitality Service

2022 – present

- While completing my studies, I worked as a freelance bartender. This role allowed me to acquire many relevant skills and knowledge in customer service and relations, sales, time management, team collaboration, and attention to detail in a fast-paced work environment. This experience has demonstrated my ability to work well under pressure and to be an efficient team leader.
